INFRINGEMENT NOTICE PROCESS

PURPOSE

The purpose of the Motorsport Australia Infringement Notice (Notice) is to assist in the timely application of a penalty where a Competitor/Driver/Co-Driver/Navigator (Alleged Party) accepts that they have been in breach of a Rule. The penalty detailed on the Notice is issued under the authority of the Stewards.

The Alleged Party has the following options:

a. admit to the breach of the Rule and accept the penalty which also requires waiving right to a Stewards Hearing and appeal; or

b. admit to the breach of the Rule but not accept the penalty which will result in a Stewards Hearing to hear submissions of penalty and impose a penalty; or

c. not admit to the alleged breach of the Rule which will result in a Stewards Hearing

PROCESS

1. The Clerk of the Course, or their representative, or an official appointed to a Championship, Cup, Trophy, Challenge or Series by Motorsport Australia determines that an alleged breach of a Rule has occurred and proposes a penalty to be imposed
2. A proposed penalty is determined by either:
   a. applying a penalty as prescribed by the Rules; or
   b. consulting with the Stewards where no specific penalty is prescribed or a penalty greater than a minimum prescribed penalty is proposed
3. Completion of the Notice

   Note:
   a. The Stewards must be made aware of the details of the Notice before it is presented to the Alleged Party
   b. A seperate Notice is required for each alleged breach of the Rules
4. Serving the Notice on the Alleged Party
   a. Advise the Alleged Party of the alleged breach and the proposed penalty
   b. Advise the Alleged Party that they have the options as listed above
5. The Alleged Party must complete the Declaration on the Notice by ticking the box/es relevant to the option selected and signing, dating and timing it. This will initiate the process described for that option.

   Note:
   a. If the Alleged Party refuses to select an option and/or sign, date and time the Declaration, a Stewards hearing will be convened
   b. If the option to admit to the breach of the Rule and accept the penalty is selected, both boxes must be ticked. If not, a Stewards hearing will be convened
   c. If the option to admit to the breach of the Rule but not accept the penalty is selected, the Stewards hearing will only consider imposition of a penalty in regard to the breach of the Rule
6. When the option to admit to the breach of the Rule and accept the penalty is selected and both boxes are ticked, the official will take the Notice to the Stewards who will impose the penalty

   The official will then copy the Notice, return the original to the Stewards and deliver a copy to each party as appropriate (e.g. Alleged Party, Clerk of the Course, Secretary of the Event, Chief Timekeeper)
