Stewards Decision 08 **Document 06**

WA Sporting Car Club Racing Championship Round 5 – Featuring HQ Nationals
Motormall Wanneroo Raceway
Perth, Western Australia
26 - 27 September 2026

The Stewards, having received a written request from the competitor, have considered the matter and determined the following.

Category	Sports Cars, Sports Sedans, Street Cars & WA Muscle Cars
Competitor	Christopher Cheverall
Car & Driver	Car 75, Christopher Cheverall
Session	Qualifying
Fact	Car 75 has submitted a Permission to Start Form
Rule	2026 Circuit Racing Standing Regulation Rule 4.1.2
Decision	Permission to Start granted, Car 75 to start from the rear of the grid
Reason	The Stewards received a formal request from the Competitor of Car 75 Within this request, it was explained that Car 75 had experienced a mechanical issue, which could not be rectified prior to the conclusion of the Qualifying session. As a result of these unresolved issues, Car 75 was unable to participate in the session. The Competitor further noted that these defects have since been repaired. The Stewards consulted with Scrutineering, who informed them that there is no technical reason for Car 75 not to participate in the Race. The Stewards accept that exceptional circumstances exist and are satisfied that the Driver of Car 75 is competent to compete in the Race. The Stewards grant the request on the condition that Car 75 is placed at the rear of the grid for Race 1.

The Competitor/Driver is reminded that decisions and penalties that may be subject to appeal are set out in the Circuit Race Standing Regulations, Article 7, and the right to and process for appeal are set out in the National Competition Rules, Article 101 and Articles 105 - 106.
