Car & Driver	Car 04, Driver Adam Blackmore

Session	Race 13
Fact	
Rule	2026 Circuit Racing Standing Regulation Rule 4.1.2
Decision	Permission to Start granted, Car 04 to start from the rear of the grid
Reason	The Stewards received a formal request from the Competitor of Car 04. Within this request, it was explained that they had experienced mechanical defects/damage which could not be rectified prior to the conclusion of the Qualifying session. As a result of these unresolved issues, they were unable to participate in the session. The Competitor further noted that these defects have since been repaired. The Stewards consulted with Clerk of Course, who informed them that there is no technical reason for them not to participate in the Race. The Stewards accept that exceptional circumstances exist and are satisfied that the Driver of Car 04 is competent to compete in the Race. The Stewards grant the request on the condition that they are placed at the rear of the grid for Race 13.

The Competitor/Driver is reminded that decisions and penalties that may be subject to appeal are set out in the Circuit Race Standing Regulations, Article 7, and the right to and process for appeal are set out in the National Competition Rules, Article 101 and Articles 105 - 106.
