1. Subject to payment of the entry fees.

1. The order of competitors in the **preliminary** list has been generated based on established priorities. The secondary ordering has been determined as follows:
   - Priority 1: Number of starts – Start number
   - Priority 2: Number of starts – Start number
   - Priority 3: Number of starts – Start number
   - Priority 4: Date of payment – Start number

   The final entry list will be ordered based on the starting number of all the drivers accepted for the race.

2. Competitors listed beyond position 40 will not be admitted unless the total competitor limit established by the organiser in the Supplementary Regulations (140) has not been reached.

3. If additional competitors with higher priorities successfully enter the Event, any excess competitors will be removed starting from position 40, in descending order. In case of sharing the same date of payment, the local hour of payment will be considered. The exception allowing the acceptance of additional entries described in the paragraph above shall remain applicable.

4. The final closing date for entries (higher entry fee) for Round 10 will be 09 September 2026 (midnight). **The Official Entry List will be published no later than Friday, 11 September 2026, via Sportity**.

5. The maximum number of starters in the Event, including the support race, shall not exceed 140, and the maximum number of entries per category shall not exceed 40. Where the maximum number of entries for one or more categories has been reached, but the overall Event entry limit has not yet been met, additional entries may be accepted in those categories, provided that the criteria set out in Article 7.1.5 of the Sporting Regulations

are respected. This provision shall remain applicable until the overall maximum number of entries permitted for the Event has been reached (Article 7.3.4 of the Sporting Regulations).

6. Acceptance of entries shall be decided by each organiser; however, priority shall be applied by category, and entries shall be selected and validated in accordance with the order of priorities listed in Article 7.1.5 of the Sporting Regulations.

7. The Organising Committee reserves the right to refuse the entry of a Competitor or a Driver, stating the reasons for such refusal, and in accordance with the priorities specified in Article 7.1.5 of the Sporting Regulations (Article 7.3.1 of the Sporting Regulations).
