Special Condition

Coverage is limited to activities which form part of the event regulations (Standing Regs/Supp Regs). Coverage for additional activities applies only where they have been disclosed and approved by Motorsport Australia in this permit process. This includes for both on and off-track (course) activity.

It is important to note that the Motorsport Australia insurance policy is designed to cover only those activities that are directly related to the running of a Motorsport Australia regulated event. Unless otherwise approved by Motorsport Australia, under no circumstances will Motorsport Australia's insurance coverage extend to activities including:

- Concerts & Discos
- Aircraft & Hot Air Balloons
- Amusement & Carnival Rides
- Leasing of Club property, facilities or assets to other non-Motorsport Australia permitted operations
- Construction of any structure where the value of the works is over $200,000
- Contractual Liability (Other than for Motorsport Australia Affiliated Clubs where a $250,000 sub-limit applies)
- Damage to Vehicles participating in an event
- Any sport that is not a sport permitted by Motorsport Australia
- Any activity that is not permitted by Motorsport Australia
- Liability of Club Committee members for decisions made in their executive capacity (Directors & Officers or Association Liability insurance)

Additional cover can be sourced, either via the issue of a Motorsport Australia permit, or a separate policy via our insurance partners, MGA Insurance Group.

As a condition of this permit, all volunteers at the event must complete the appropriate sign on process, which includes relevant OH&S requirements, and an acknowledgement that then volunteer has read, understood and will agree to abide by the guidelines.
