The competitors of the "Supercar Challenge powered by Hankook" will be provide with a MYLAPS X2 RaceLink GPS device. The usage of this device is mandatory.

The competitor is responsible for the correct fitting of the device in their vehicle.

Race Control will be able to monitor the live speeds and locations of the vehicles. Therefore, when drivers are clearly overspeeding during a FCY-procedure, overtake under yellow or display a form of dangerous or unsportsmanlike behavior, the information of the RaceLinks can used by the Race Director to penalize or reprimand a driver.
