

Bulletin 5

To the drivers, teams of the "Supercar Challenge powered by HANKOOK

Subject: MYLAPS X2 RaceLink GPS device for "Supercar Challenge powered by HANKOOK

1. MYLAPS X2 RaceLink GPS device for "Supercar Challenge powered by HANKOOK

The competitors of the "Supercar Challenge powered by HANKOOK will be provided with a MYLAPS X2 RaceLink GPS device. The usage of this device is mandatory.

The competitor is responsible for the correct fitting of the device in their vehicle.

Race Control will be able to monitor the live speeds and locations of the vehicles. Therefore, when drivers are clearly overspeeding during a FCY-procedure, overtake under yellow or display a form of dangerous or unsportsmanlike behaviour, the information of the RaceLinks can be used by the Race Directors to penalize or reprimand a driver.
