Support Teams with trolleys to follow Blue Route and enter National Pit Lane via the gate at Race Control

Drivers to follow the Red Route and access the circuit via the Brooklands Support Pit Lane

Drivers will be released onto the circuit by the safety team & an Instructor

At the end of the session, all drivers will enter the National Pit Lane and exit via the gap next to the scrutineering bay and return to the Support Paddock, along with the support crews.

Driver Access - **Red Route**

Support Team Access & Exit - **Blue Route**

The only exception to this is the 13:15 to 13:40 Ginetta Academy Session.

Can these drivers please exit via the gate at Race Control. This is due to all the British GT Cars coming out of the garages for their first session.
