Welcome to the 10th Swan Challenge!

Dear Skaters, Coaches, and Team Members,

A very warm welcome to the **10th anniversary edition of the Swan Challenge!** We are delighted to have you all here in Bled to celebrate this special milestone with us.

We wish all competitors the very best of luck, lots of confidence, and, above all, wonderful performances on the ice! May you enjoy every moment, be proud of what you achieve, and create beautiful memories with fellow skaters from around the world.

This year is especially meaningful as we celebrate ten years of the Swan Challenge. To mark this occasion, we are preparing a special celebration **this evening (Friday) from 19:00 to 21:00**, and we would be delighted if you could join us for a drink.

We warmly invite you to **Sokolski dom,** Bled's newest event venue, located just a short walk from the Ice Hall. Let's raise a glass together, celebrate our skating community, and make this anniversary truly memorable!

Thank you for being part of the Swan Challenge family and for helping us make this event so special.

Good luck, skate with joy, and enjoy the time in Bled and in Slovenia!

Warmest wishes,
Swan Challenge Organising Team
