Continuation of the 2026 Championship

Dear Teams,
Dear Competitors,

As you are aware, the summer of 2026 has been marked by severe drought conditions and numerous forest fires across Europe, notably resulting in the cancellation of the Saarland-Pfalz Rally (13–15 August, Germany).

In light of these exceptional circumstances, and in order to ensure the continuity and sporting balance of the 2026 Porsche Rally Trophy Benelux season, we have decided to include the **Spa Rally (28–29 November, Belgium)** as the final event of the championship.

As the Spa Rally is contested over two legs, each leg will count as a separate Porsche Rally Trophy Benelux round. Consequently, points will not be doubled at the Spa Rally. However, as the East Belgian Rally is contested over a single leg, points awarded at this event will be doubled. These changes to the points allocation will be formalised through an Addendum to the Sporting Regulations, duly approved and countersigned by the RACB.

We would also like to draw your attention to the fact that this situation unfortunately prevents us from presenting the Porsche Rally Trophy Benelux season awards during the Prospeed end-of-season prize-giving ceremony on **Friday, 20 November 2026**, unless the championship standings have already been mathematically decided following the East Belgian Rally. Nevertheless, all competitors remain warmly invited to attend this event.

The official Porsche Rally Trophy Benelux prize-giving ceremony will therefore take place later in the year during the **RACB Awards in Brussels**.

We sincerely apologise for any inconvenience caused by these adjustments. However, these decisions are necessary to preserve the sporting fairness, credibility and continuity of the Porsche Rally Trophy Benelux in the face of exceptional circumstances beyond our control.

We thank you for your understanding and look forward to seeing you at the remaining rounds of the 2026 season.

With kind regards.
