8.19.2 (Nuevo artículo):

En aquellas zonas de Control de Velocidad – Radar Virtual que estén situadas dentro de un Tramo de Regularidad, no se establecerán controles secretos de Regularidad ni en el interior de la zona de Control de Velocidad ni en los 500 metros posteriores a su finalización.

8.19.2 (New article):

In Virtual Radar Speed Control zones located within a Regularity Stage, no secret Regularity Controls will be set up either within the Speed Control zone or within the 500 metres following its end.
