The Stewards, having received a report from CoC, have considered the following matter and determine the following:

Fact: In Refuelling Zone RZ2 the co-driver was not wearing all required safety equipment during the refuelling.

Offence: Breach of Art. 61.2.3 of the 2023 EHRC Sporting Regulations
Breach of Art. 8.4.1 of the Supplementary Regulations

Decision: Fine of €150

In accordance with Article 12.7 of the FIA International Sporting Code, the payment of the fines must be done online, within 48 hours of their notification, at the following address: <https://fiafines.fia.com>. Any delay in making payment may entail suspension during the period the fine remains unpaid.

Reason: According to the Supplementary Regulations and the 2023 EHRC Sporting Regulations, the relevant personnel must be wearing clothing which will provide adequate protection against fire. During the refuelling operations the co-driver was helping the mechanics and was not wearing gloves.

The proper clothing is a major safety item to protect the team personnel in case of fire during refuelling. It is essential for the personnel's safety and safety is one of the major concerns by the FIA. Safety remains a key challenge and the FIA is committed to do everything possible to protect, among others, the team personnel.

It is further to be noted that the Clerk of the Course issued Communication No.1 on 17th September 2023 (Doc. 3.1), reminding all Competitors about safety items during the rally, including refuelling procedures. The Stewards therefore concluded that the competitor was in breach of the above regulations.

The decision is based on the FIA International Sporting Code Art. 11.9.1, Art. 11.9.3.a; Art. 11.9.3 f; and Art. 12.4.1.c.

Competitors are reminded of their right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
