Competitors Briefing

Welcome

On behalf of the Jordan motorsport family, I would like to welcome you all to another exciting chapter of the 2024 Jordan Rally, the second round of the FIA Middle East Championship, and wish you all an enjoyable and safe Rally.

Ramp Start

- Pre-Ceremonial Start Holding & Ramp Start will take a place at the Dead Sea Service Park.
- All the vehicles must enter the Pre-Ceremonial Start Holding between 18:15 and 18:45.
- Any representative of the team may deliver the car.
- During the Pre-Ceremonial Start Holding & Ramp Start all representatives of the team shall follow marshal's instructions as no time cards will be given.
- Competitors will follow marshal's instructions to go to the service park.

Running The Rally

- Extra Care should be taken during the Rally when crossing water as cars in the front might dig some rocks inside the water beds which is not visible for drivers in the back.
- Alternative Road Book, is available, in case of any emergency the COC will instruct the Official in charge and you will be informed which section will be used.
- The Safety team has put an effort to distribute Radio points and safety points all over the Special Stages, radio points and coordinates are marked in the road book.
- The itinerary of the 2024 Jordan Rally is made up of Road Sections with a scheduled time, all Road Sections are open to traffic. And all traffic laws must be respected during the entire schedule of the rally, including speed limits, it is worth to mention that speed cameras will be along the rally route operated by the police and any infringement of traffic law, will be reported to the stewards after issuing the ticket by the police officers.
- If a crew/vehicle is caught by another they must make the necessary move to allow itself to be overtaken using STELLA tracking device.
- To facilitate the refueling process, the refueling areas are equipped with two lanes.
- There will be 4 Refueling Areas in day one & day two, marked in the road book. For safety reasons the crew and the team must comply with article 61.2 of the FIA 2024 RRSR.
- Access to Service Park will be open for Public.
- The speed of cars in the service park may not exceed 30 kph, all crews / team members must comply with article 57.4 of the FIA 2024 RRSR. Failure to comply with this limit shall result in a penalty applied by the Clerk of the Course.

Incident on a Special Stage

- As per Article 53.3.2 of the FIA 2024 RRSR,
"Any crew which has the red "SOS" sign displayed to them, or which sees a car which has suffered an accident, and the OK sign is not shown, shall immediately and without exception stop to render assistance. All following cars shall also stop. The second car at the scene shall proceed to inform the next radio point. Subsequent cars shall leave a clear route for emergency vehicles. All crews stopped by this procedure will be allocated a time according to Art. 52."
- To ensure safety, marshals will use red flags to signal competitors to stop or reduce speed. It's imperative that all competitors follow these instructions.

Ramp Finish

- Prize giving / Podium, will take place in the service park area.
- For the Prize giving / Podium It is mandatory for both Crew members to attend.
- When entering the Finish Holding, crew must follow marshal's instructions.
- Following the Prize Giving/Podium, all competitors must adhere to the marshals' instructions to bring their vehicles to the Parc Fermé and undergo Final Scrutineering.

Other Information

- Every team is responsible for cleaning their designated area, and we kindly request that all teams ensure the area is left in the same pristine condition as when they arrived.
- We kindly ask all competitors to drive cautiously on all gravel road sections to reduce dust.
- In the rally HQ, same countdown timer used in SSS will be displayed outside so competitors can check and ask any questions if needed.
- Tracking Officer will place a magnetic sticker regarding timing purposes -when installing the Tracking Device- in the Service Park after scrutineering.
- To facilitate access to important locations, GPS Coordinates and hyperlinks are provided on Sportity App under name "2024 JR Stages GPS Coordinates"
- Make sure to calibrate your trip meter according to the calibration map as mentioned in the Road Book.
- Due to jamming caused by the security situation in the region, we've encountered challenges with accurately mapping distances in the Road Book. Despite our team's dedicated efforts to rectify the small differences, please be aware that there may still be some small inconsistencies.
- Tyres Quantities:
 - i) For competitors entered with RC2 cars, a maximum of 16 tyres may be used during the rally.
 - ii) For competitors entered with RC5, A and TN cars, a maximum of 12 tyres may be used during the rally.
