~~Pending the new decision by ACI Sport for the races included in the 2026 national sporting calendar, the Organiser 1000 MIGLIA SRL declares that it will guarantee the compulsory insurance coverage for the race in question, in compliance with the provisions of the Federation.~~

~~It is hereby specified that the Third-Party Liability insurance policy taken out by the Organiser shall be understood as a policy covering second risk liability for any damage caused by competitors to persons, property or animals during the event, excluding damage caused to the participants themselves and to the vehicles they use. All competitors therefore remain obliged to take out their own Third-Party Liability insurance policy valid for the entire duration of the event.~~

In this context, it confirms full awareness that the liability insurance policy, referred to in Article 56 of the RSN, complies with the standards set forth in Article 124 of the Insurance Code, with the legal minimums, and does not relieve Competitors and Drivers from any liability they may incur beyond the scope of the insurance and any additional general and specific policy conditions published on the federal website and available for request from the Insurance Company.
