

Morenane Transport come on board as an associate sponsor for the 2024 Lyons Motorgroup Circuit of Munster Rally

Limerick Motor Club is delighted to announce Morenane Transport coming on board as an associate sponsor for this year's Lyons Motorgroup Circuit of Munster Rally.

Morenane Transport is a family-run company with over 90 years of valuable, trusted experience in road haulage, road transport services, groupage and is based in Askeaton, Co. Limerick.

Managing Director Edward O'Callaghan and his wife Hazel are active supporters of Limerick Motor Club with both having great competitive success behind the wheel in rallying, Edward in his Class 14 MK2 Escort and Hazel in her Class 13 MK2 Escort both in Ireland as well as in Europe.

The appetite for motorsport runs deep in the O'Callaghan family with both their children actively competing, their son Christopher driving his Class 14MK2 Escort to success here and also in Europe, and daughter Kirsty navigating in various classes from Class 13MK2 Escorts to Rally 4 Fiestas.

As a family truly emerged in rallying "We are delighted to be able to support Limerick Motor Club with their up-and-coming event and sponsoring our home rally as we have been a part of Limerick Motor Club for the last 30 years. It is a way for us to give back as competitors for all the time and effort that the club have put in over the years. Without their efforts, we wouldn't be able to do what we love doing. We look forward to many more years of being a part of Limerick Motor Club. Best of luck to all involved over the duration of the weekend".

With entries still flooding in for the June bank holiday event and the closing date of 20th May just a handful of days away, competitors are reminded to get their paid entries in as soon as possible so as not to be disappointed.
