

Final Instruction 2

- Stage 1 / 4 / 7 has been shortened. The stage length is now 5.15km. The revised bogey is 2.22.61. stage max remains the same at 15 minutes & the T&D is unchanged.
- Coordinates for new start N52 38 19.21 – W 008 48 07.38. A Picture showing the new start will be available on the Sportity app under General Information.
- This section of road between arrival control and stage start on stage 1 / 4 / 7 is a temporary surface and only with the kind permission of the Limerick County Council are we allowed to drive it to get to the start line. Tyre warming in this area is strictly forbidden and there will be a judge of fact in place to watch for this along this section of road.
- Roadbook correction for Stage 1 / 4 / 7

Page 10 should read at the top left to: Flying Finish SS 1/4/7

SS1/4/7

Circuit of Munster

	0.42		Stop Car At House with Red Wall on Left	

- All pictures of all stage Start & Flying Finish locations will be available on Sportity.
- Unloading area as per the diagram on Sportity
- Trailer Park will be available from 11 o clock
- Service area will be available from 12 o clock
- There is to be no parking of trailers or unloading of cars in the service area
- There is an extremely PR-sensitive area on stage 3 between locations 7 and 8. There will be two marshals in this area monitoring speed. Due to the nature of the road, right of way must be given to the residents on this section at all times.
