

SHERIFF DWAYNE S. REED

Washington County, Missouri

March 9, 2026

To whom it may concern:

As Sheriff of Washington County, I am pleased to welcome the 2026 Rally in the 100 Acre Wood conducted by the 100 AW Pro Rally Group and the American Rally Association. This year's event, held on March 13 – 14, 2026 brings both participants and fans from across the United States to our county. We need to extend a warm welcome to the participants and fans that are here, while they provide a boost to our local economy.

Additionally, we need to cooperate with those participating in, and conducting the event. You may be asked by an official or representative of the Rally to avoid using a particular section of roadway for a specified period of time so that you will not interfere with the event. As Sheriff of Washington County, Missouri, I request that you follow the directions that may be given to you by a Rally official or representative in using, or not using, a section of road at a particular time.

I realize this may cause a slight inconvenience or delay to you, for which I apologize. I suggest, however, that you use the time available from a possible delay to learn about the Rally in the 100 Acre Wood from a Rally official or representative at hand. And if you truly have an emergency situation that requires that you not be delayed, inform the Rally official or representative of the reason for your emergency. Otherwise, we expect that you will cooperate with, and comply with, the Rally officials and representatives while they conduct the Rally in the 100 Acre Wood in Washington County.

Sincerely,
