IMPORTANT REMINDERS TO ALL COMPETITORS

Competitors are reminded that, in accordance with Article 11.7.2 of the Supplementary Regulations, the removal of the SAS Tracking installation must be carried out in the final Parc Fermé by a member of the team or crew, under the supervision of a technical scrutineer.

For your convenience, SAS will establish a collection point at the entrance control to the Parc Fermé where the tracking equipment should be returned.

Is also reminded that any damage sustained by the tracking equipment during the event will be assessed and paid upon return.
