The Stewards, having received a report from the Clerk of the Course (Doc No 3.11), have considered the following matter, determining the following:

Fact During SSS1 (GZM Katowice powered by ORLEN OIL), Car No. 56 drove in the wrong direction (Box 8, page 1-54), as the crew rounded the obstacle from the incorrect side.

Offence Breach of Article 19.2 of the FIA 2026 Regional Rally Sporting Regulations

Decision **To impose a 10-second time penalty to the super special stage time of Competitor LUDWIG ZIGLIANI of Car No. 56 for SSS1 (GZM Katowice powered by ORLEN OIL).**

Reason Article 19.2 of the FIA 2026 Regional Rally Sporting Regulations clearly stipulates that the compulsory itinerary of the rally is defined in the Road Book by the road direction diagrams and, between the road direction diagrams, by the defined roadway.

The crew rounded the obstacle from the incorrect side. In this way, the crew car No. 56 deviated from the route specified in the road book during SSS1 (GZM Katowice powered by ORLEN OIL) (Box 8, page 1-54). It should be noted that every obstacle must be rounded in accordance with the Road Book.

The Stewards have determined that, in this case, the crew members breached the regulations. This is confirmed not only by the content of the CoC report but also by video footage.

The Stewards therefore concluded that a 10-second time penalty appropriately reflects the seriousness of the infringement.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA 2026 International Sporting Code and Chapter 5 of the FIA Judicial and Disciplinary Rules.
