Only authorised vehicles labelled with "REMOTE SERVICE AREA" markings and the relevant crew starting numbers are permitted to enter the parking at the service area's tyre fitting area. Markings must be sticked to the windscreen on the right-hand side or else the car will not be allowed into the parking at the Tyre Fitting Area.

ACCESSING THE TYRE FITTING AREA AND PERMITTED WORK

Only team members with a ID bearing a crew starting number will be allowed to work on the car in the Tyre Fitting Area. The workstation in the Tyre Fitting Area must only be used for the time necessary to carry out the activities permitted there and then be vacated immediately so that it can be used by the next crew.

You are also reminded of the other rules set out in art. 12.9 of the Supplementary Regulations.
