Meddelelse om serviceplads og Rally Safe

Serviceplads:

På grund af servicepladsens samlede størrelse er vi desværre nødt til at indskærpe at kun 1 servicebil per rallybil er muligt at placere på servicepladsen.

Det er ikke tilladt at campere på servicepladsen, ligesom notebiler skal placeres andetsteds.

Alle henvendelser om ekstra plads, og om man skal holde sammen med andre eller lignende forhold på servicepladsen skal foregå til Jens Erik på jejensen@fiberflex.dk

RallySafe:

Al udlevering af RallySafe materiale foregår i Rally Headquarter, samme sted som licenskontrol mm. Mere følger om, hvad I skal have udleveret,

Leje af udstyr foregår samme sted, for øvrige informationer om RallySafe henvises til Rallysportens Cirkulære 5. <https://www.dasu.dk/media/36451/kap-5-bestemmelser-for-tracking-2022.pdf>

Communication regarding Service Area and Rally Safe

Service Area:

Due to the total size of the Service Area, we unfortunately have to make it clear that only 1 service car per rally car can be placed in the Service Area.

It is not permitted to camp in the Service Area, just as recce cars must be placed elsewhere.

All inquiries about extra space and whether to park together with others or similar conditions at the Service Area must be sent to Jens Erik at jejensen@fiberflex.dk

RallySafe:

All delivery of RallySafe material takes place at Rally Headquarters, the same place as license control etc. More to come about what you must have delivered,

Rental of equipment takes place at the same location, for other information about RallySafe, please refer to Rallysportens Cirkulære 5. <https://www.dasu.dk/media/36451/kap-5-bestemmelser-for-tracking-2022.pdf>
