

### How and where to fit the Cradle

- Place the cradle in the centre of the dashboard making sure it is fixed securely.
- Make sure the velcro strap is placed under the bracket before fixing it in place.
- The Tracking unit must have free view of the sky through the windscreen.
- The OK & SOS buttons must be visible to both crew.
- We encourage that the cradle remains in place for future events.

### Tracker Instructions

- The tracker will be handed to the crew before the first TC switched ON ready to go.
- Under the supervision of a sporttraxx representative the crew will fit the tracker to the cradle.
- The unit must remain ON at all times even if you have retired from the event.
- If you require medical assistance press the **SOS button for 3seconds and repeat again after 5 seconds.**
- A blue LED light will show on the tracker to notify the crew their SOS request has been received.
- If you have stopped in the stage for any other reason you must press the OK button within 1 minute for 3 seconds this will notify us that you are OK and don't need assistance.
- Failure to press the OK/SOS button within the time will be reported to the organisers and penalties maybe applied.
- At the final control Sporttraxx personnel will collect the tracker
- Should you retire please hand the tracker to the sweep car or return to Rally HQ with your damage declaration.
- Failure to return the tracker or any damage caused to the unit will result in a £300 penalty to replace the unit. If the tracker isn't returned or payment hasn't been made for loss or damage to the unit you will be reported to MSUK (regulation C.1.1.13) and your licenses suspended until payment is made or tracker has been returned.
- If returning by post send recorded delivery only or you will be responsible for the replacement cost of the tracker should it go missing.
