Introduction

This setup book is intended to show the main features required to set up the stage safely and in accordance with Motorsport UK requirements as set out in the Yearbook and in particular Stage Rally Safety Requirements (edition 5), the Mull Rally Safety Manual and any directions from senior officials of the event.

Not necessarily depicted in this setup guide:-

Gateways, paths and entrances

All access to the rally route should be clearly taped with red/white tape. Appropriate warning signs should be placed on paths and tracks approaching the route.

Junction numbers and warning arrows.

Every post unless immediately following another should have a warning arrow (or chicane warning etc) and junction number placed 100m (+/- 10m) before the post.

STAGE Commander:				Grahame Douglas	
Deputy STAGE Commander:				Gordon Cowan	
STAGE Safety Officer:				Aaron Ferguson
