3. Tobermory RZ2A / RZ3

The diagram for RZ2A / RZ3 is hereby modified to clarify that service vehicle parking is available parallel to the refuel zone, at HiServ, as below. Please do not drive service vehicles direct into the RZ as, particularly with the addition of the tyre vans, this will clog up the zone. Only the area in front of HiServ is to be used for auxiliary parking; please allow continual access to the council yard beyond.
