

Killarney Towers Hotel Historic Rally

ATTENTION: SPECTATORS HEADING FOR MOLLS GAP

This afternoon and evening we are expecting an unprecedented procession of Campervans and Spectators heading for Molls Gap to bed down for the night. Please be aware that marshals and volunteers are currently monitoring the parking situation along the stage.

In order to ensure the event gets off on the right footing tomorrow morning, we are asking for peoples help with the following:

1. Please park in a safe place.

There are a number of locations along the stage currently cordoned off with tape – these are prohibited areas and we request that they remain clear of vehicles and spectators.

Any vehicles parked within the cordoned off areas will have to be moved so choose your parking area carefully. We don't want a situation where we will be trying to move vehicles in the morning.

2. Be conscious of others.

If you arrive to a location, park as neatly and tidily as possible to allow space for others.

If there is free space behind you, you're not in far enough! We need to be able to utilise all space available along the stage.

3. Please park on one side of the road only leading to Kenmare.

This is to allow access for emergency vehicles etc.

4. Molls Gap road closes at 6:00 a.m. sharp.

At this time a barrier will be pulled across the road at the entrance to Muckross House. If you arrive at 6:01 a.m. you'll be too late and will be turned away. No exceptions.

If you're travelling in the morning give yourself extra time to get to where you want to go.

5. The entire section of stage closes at 6:00 a.m.

Not just when the Road Closed car passes your location.

6. The road remains closed between passes.

First car is due on the first pass at 8:26 a.m.

First car is due on the second pass at 11:31 a.m.

7. After the second pass do not drive onto the stage until the Road Open car passes your location.

8. Please obey the instructions of the marshals.

Remember they are there for your safety and to ensure the stage goes ahead.

Please be mindful of yourself and others while out there and enjoy the show.
