

Briefing

Driver's Briefing Rally Sierra Morena

Safety First.

Respect the Road Code.

Enjoy the Competition.

"Welcome to all teams. Let's have a safe rally."

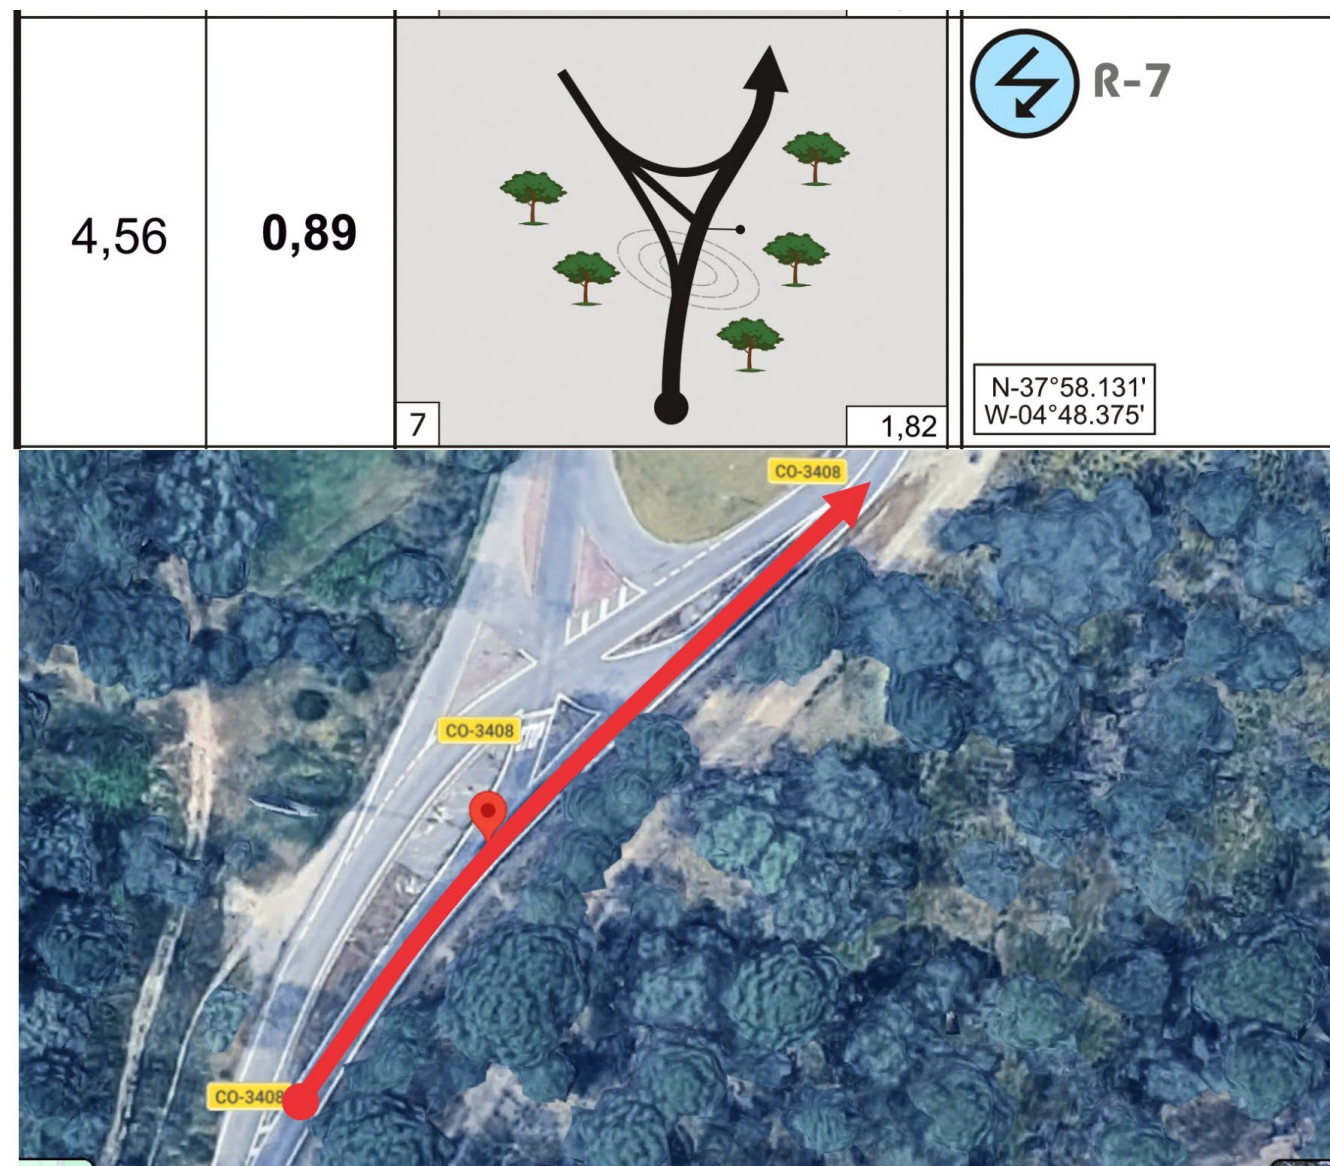

Road Book

- QS, Box 7 km 4,56:

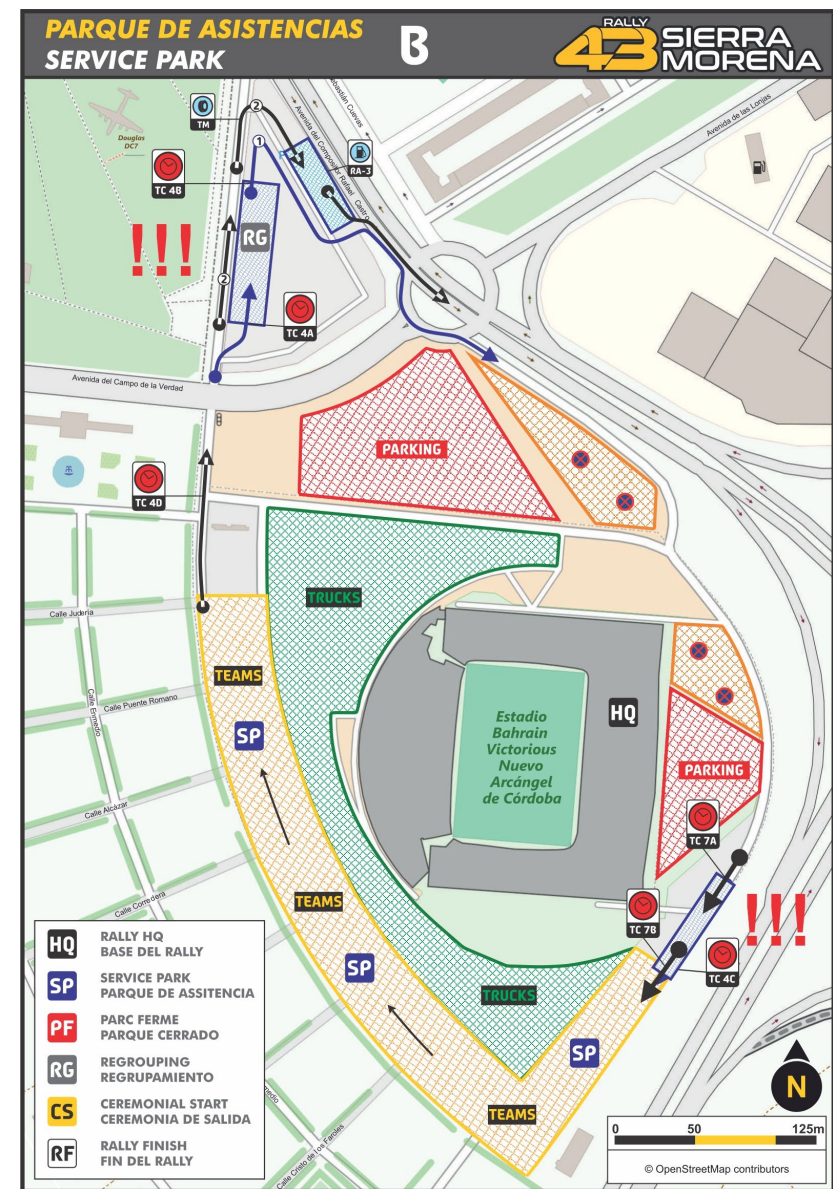

Drivers must follow the “normal” road,
No additional elements will be fitted in
this area.

- SS10/13 Power Stage Box 16
Km 13,40:

A CoC Comunication will be published
with pictures of the Chicane’s setup.

On Saturday, please note, that the parc fermé before Flexi-service is not at the same place of the regroup before midday Service.

On Saturday at 16:00 the Spanish women's national soccer team will play at the stadium where we are located, for rally cars there will be no issues affecting traffic flow.

For everyone else (support, Staff...) we recommend avoid unnecessary movements around service area between 15h 30 and 18h 30

You must follow the designated route for service area access, it's clearly outlined in the road book.

Remember that Refuelling after shakedown closes at 16:30.

Thank you!
