

2025 Service Packet

June 11-14

AMERICAN RALLY
ASSOCIATION®

PRESENTED BY

SOFR Teams,

Welcome! We are excited your team is competing at the Southern Ohio Forest Rally, featuring stages in Chillicothe, and the Shawnee and Zaleski State Forests.

**Important* - Please pay attention to Bulletin #2 (see below) if your service rig weighs over 30,000lbs.*

All crew registration should be done prior to arriving at the event.

Tech is at the Chillicothe Transit Garage. Please follow the map enclosed. Tech is by appointment only. Email sofrtech@southernohioforestrally.com to arrange an appointment.

Trailer parking and pre-event service space is available at M&M Fabrication, 18828 US-50, Chillicothe, OH 45601, contact Gary Timmons at 740-253-1197 for more information.

- **Thursday:** There **is** a Parc Exposé at Yoctangee Park, at the Chillicothe High School, overlooking SS #1. No trailers are allowed at Parc Exposé. There is no Service Park on Thursday. After TC2A, ending Day 1, there are no restrictions on service until TC2B.
- **Friday:** The Rally resumes at TC2B at the Service Park at Portsmouth **West** High School. There is **no** Parc Exposé on Friday. Cars will start directly from the Service Park. Service crews must use the entrance at the traffic light to **enter and exit** the Service Park. Large rigs see bulletin #2.
- **Saturday:** The Rally restarts at Parc Exposé in downtown McArthur, OH. The Service Park is at Vinton County High School. Most spots are paved, but space is limited. If you don't need your trailer for service, see the map for the trailer drop location. Due to the limited space, we will issue service stickers at registration, without a sticker (service or recce) on your car you will need to park across the street at the church.

Scoring, Stewards, Clerks of the Course, and net control will be the ARA Race Control Trailer at the service parks on Friday and Saturday, and at Parc Exposé on Thursday.

Bathrooms and food are available at both Service Parks in their respective stadium buildings.

No servicing is allowed outside of the official Service Park during competition on Friday and Saturday.

Tarps must be used under vehicles when in a Service Park.

There may be Tech Zones (TZ) before each service on Friday and Saturday, and after TC9A on Friday evening. All teams must have a crew member present at the TZ.

Service crews need to inform the Service Chief, Mike Short (740) 703-6786, before leaving the Service Park to retrieve retired competition vehicles. Retired vehicles will be towed to the stage finish, if possible, or to an accessible junction. Mike will know where they are and be able to direct teams. Cars deemed too difficult to recover between sections will be left on stage. Stages will remain closed to traffic until after the second run.

We will be providing you with copies of this information at check-in.

SOFR Rally Committee

2025 Southern Ohio Forest Rally
Drivers Bulletin #2
23 June 2025
20:00

To All Competitors:

1. The email for Mike Short, Chief of Service, in the supplemental regulations is missing a letter, the correct email is: service@southernohioforestrally.com or 740-703-6786.
2. Unfortunately today, Portsmouth West Schools, Friday's service location, have decided to not allow service vehicles over 30,000lbs on the pavement. Therefore, we have to ask all competitors with service vehicles over 30,000lbs to contact Mike Short, our service chief, ASAP to arrange parking in the lower gravel bus lot.

Justin Pritchard
SOFR Clerk of the Course

A handwritten signature in blue ink, appearing to be "Justin Pritchard".

Rob Bohn
SOFR Assistant Clerk of the Course

A handwritten signature in blue ink, appearing to be "Rob Bohn".

Bathrooms are available at both service parks at the stadium concession stands. Food will also be available.
