

2025 Southern Ohio Forest Rally
Drivers Bulletin #2
23 June 2025
20:00

To All Competitors:

1. The email for Mike Short, Chief of Service, in the supplemental regulations is missing a letter, the correct email is: service@southernohioforestrally.com or 740-703-6786.
2. Unfortunately today, Portsmouth West Schools, Friday's service location, have decided to not allow service vehicles over 30,000lbs on the pavement. Therefore, we have to ask all competitors with service vehicles over 30,000lbs to contact Mike Short, our service chief, ASAP to arrange parking in the lower gravel bus lot.
