

Competitors Briefing

Welcome to the 2023 Brick and Steel Border Counties Rally and thanks for your entry. We hope you have a great day's rallying and enjoy the superb stages we have in store for you.

There is a cycle event on at Traquair House which may bring you in contact with cyclists on RS4 after Cardrona. Please drive with care and give way to them. This is noted in the road book.

The road section after Stage 3 and Stage 7 is different to avoid a clash with the Hawick Common Riding. Be careful to follow the correct route in the road book for each road section. The stage map for SS7 in the road book shows the incorrect road route after the stage. The road book tulips are correct. There are also road works with traffic lights on RS3/7 at 4.43 total miles and road section RS7 between posts 7 & 8. There is adequate road time for these sections.

The route has several sections on single track road and competitors should drive with care and consideration for non-rally traffic.

Toilets have been located near the arrivals and finishes of each stage for your convenience.

A reminder for both crew members to read the Incident & Red Flag Procedure contained on Page 1 of the road book.
