Bulletin 1: Schedule & Scrutineering

To: All Competitors/ Crew
From: Clerk of the Course
Number of Pages: 1 Attachments: 0

1 Schedule Change

An additional scrutineering timeslot from 1300-1600, has been added to the schedule. A corrected "Racer Event Schedule v2" will be posted to Sportity along with this bulletin.

2 Additional Scrutineering information

Vehicles presented for scrutineering must already have all required elements in place. No "sticking", repairs, or additions required to pass scrutineering will be allowed while in scrutineering. Vehicles to be inspected, and crew, will remain outdoors during scrutineering, weather permitting.

We ask that all competitors arriving at the vicinity of Watson's Garage with competition vehicles on/in trailers/trucks park in the church parking lot adjacent to Watson's. For larger rigs we recommend using the Re-Store parking lot at 8 Chesterfield Hwy, Cheraw, SC 29520.

Entry to the car and SxS scrutineering area is limited to 2 vehicles and 2 crew members per vehicle at a time. Logbooks will be retained by Scrutineering at this event. The logbook event entry info for Sandblast 2026 should already be completed by the competitor prior to entering Scrutineering.

Entry into scrutineering should be from Robey St. Cars / SxS will be directed toward the left. Motos will be toward the right. Exit will be onto Chesterfield Hwy (Rt 9).

Once the vehicle has been inspected, it should be removed from the scrutineering area. If it did not pass (did not receive a tech sticker), it will be necessary to come back through once deficiencies have been corrected.

Preprinted vehicle specific techsheets will already be in the possession of scrutineering, and will be completed when the vehicle is presented and will be retained by scrutineering.

A handwritten signature in blue ink, appearing to read 'Andrew Frick'.

Andrew Frick
Clerk of the Course
