Issue Description

The start time for SS1 is off by 10min, our start time was 19:39 but the time card was marked at 10:49, as you can see from our ATC of 19:36 and we started 3min later at 19:39.

Rationale

Time control wrote down the wrong start time on our time card, they were 10min off and I believe other cars had the same issue.

Referenced Rules

Desired Action

We would like to have the time card corrected and all penalties waved.
