

McCreary Gravel Rally

BULLETIN #3 – Wild River Direction

This bulletin is being issued to ensure clarity of the Wild River Stage direction. Although the stage schedule and Route book directions are correct, it was noted that the map printed in the front of the route book and possibly other places reference both “Wild River” and “Wild River Rev” stages. For 2026 MGR, Wild River is run only in the reverse direction, which is west to east.
