

## Black River Stages Rally

### BULLETIN #3 – Route Book Tulip corrections

The junction intersection tulip has an error on some stages from copy/paste errors. See corrections below. Note that the overview map has a stage schedule marking each stage with a not such as “A to C” to indicate the correct directions. Please use it as the stage names can be confusing late in the day. We apologize for the confusion.

Tulip Number	Is	Should be
SS1 Tulip 180		
SS3 Tulip 781		
SS5 Tulip 1248		
SS6 Tulip 1363		

Also note that the mileage for a turnaround is not a requirement. Go the distance needed to safely turn around.
