

Black River Stages Rally

BULLETIN #1 – Revised Entry Pricing

Some competitors were offered special pricing to ensure we reach minimum entries to operate the event. Running an event this year is important to the process of rebuilding stage rally in the northeast and being able to grow this event for next year.

We thought it only fair to offer the same pricing to everyone and extend an invitation for additional entries. To that end we are offering a Mother's day sale until the end of regular entry on Wednesday May 13 at noon. Pricing below is now available within your NASA Rally Sport account:

- The **original regular entry** of 700 for cars and 350 for bikes is still there until noon on Wednesday. Use this if you want to help support the rally a bit more. BRS will honor the typical refund policy for these payments up to registration open.
- A **new regular entry option** of 500/250 is available until noon on Wednesday. Use this if it suits you better, we all know fuel for the tow rig is expensive right now. These will not be refundable once paid.
- After noon on Wednesday, **Late entry** is available at a new price of 600/300 and is also not refundable.

Get your entry and payment in soon to take advantage of the better pricing.

Come on out and be a part of this first year with us.
