The stewards having received a report from the race director concerning car N°761 in Stage 5.

## Facts:

In the NT5.3 the competitor had problems with the validation of one WP because the trippy didn't show them the green stick, even if they were in the correct place. It made the competitor make more meters until they achieved the validation of the WP.

After the investigation made by the Trippy team, they discovered that due to a change in the data the WP didn't make the green stick despite going through the validation point correctly.

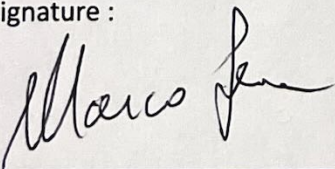

Decide: to delete 4km of the distance made by the competitor in the NT5.3 of Stage 5.

Competitors are reminded of their right to appeal certain decisions of the Stewards , in accordance with article 15 of the FIA International sporting code and ch 4 of the FIA Judicial and disciplinary Rules , within the applicable time limits .
