### Accident & Safety Procedure (FIA RRSR Art. 53)

1. In the case of an accident where urgent medical attention is required, the following applies:
  - The SOS switch on the emergency console (Tracking System) must be activated as soon as possible.
  - When possible, the red “SOS” sign should immediately be displayed to the following cars and to any helicopter attempting to assist.
  - As soon as possible, the red triangle must be placed in a conspicuous position on the same side of the road as the car by a member of the crew at least 50 metres before the car's position, in order to warn following drivers, even if the car is off the road.
2. Any crew which has the red “SOS” sign displayed to them, or which sees a car which has suffered an accident, and the OK sign is not shown, shall immediately and without exception stop to render assistance. All following cars shall also stop. The second car at the scene shall proceed to inform the next radio point. Subsequent cars shall leave a clear route for emergency vehicles. All crews stopping under this procedure will be allocated a time according to Art. 52.
3. In the case of an accident where immediate medical intervention is not required, or of a car stopping for any other reason on or beside a special stage, whether temporarily or permanently, the following applies:
  - The OK switch on the Emergency console (Tracking System) must be activated within one minute.
  - The green “OK” sign must immediately be displayed to the following cars and to any helicopter attempting to assist. If the crew leaves the vehicle, the “OK” sign must be displayed so that it is clearly visible to all following crews.
  - The red triangle must be placed in a conspicuous position on the same side of the road as the car by a member of the crew at least 50 metres before the car's position, in order to warn following drivers, even if the car is off the road.
4. Should it not be possible, for whatever reason, to display the OK/SOS board in any of the above situations, this may be replaced by an evident and clearly understandable sign language shown by the crew outside of the car:
  - an arm and thumb up to indicate “OK”
  - crossed arms above the head to indicate “SOS”.
5. Any crew which is able but fails to comply with any of the above rules will be reported by the Clerk of the Course to the Stewards.
6. The event Emergency Telephone Number is:  
**+ 44 7508869010**
7. All competitors retiring from the event are obliged to hand in their time card to the nearest control point as soon as possible.

### Competitor Safety Information

#### First Competitor on Scene

If the competitor is still in the vehicle and the vehicle is on fire GET THEM OUT IMMEDIATELY.

If the competitor is still in the vehicle, is responsive and there is no risk of fire:

- Approach from the front, look them in the eyes
- Do they seem aware of their surroundings?
- Speak to them, ask their name - do they respond?
- Any pain, loss of feeling - if yes keep them where they are!
- Keep them calm and keep them talking.
- DO NOT MOVE THEM UNTIL PROFESSIONAL HELP ARRIVES.
- Do nothing else

If the competitor is still in the vehicle, is unresponsive and there is no risk of fire:

- Stop any life threatening bleeding by applying direct pressure/ plugging the wound
- Ensure an open airway
- Immobilise the head and c-spine (neck)
- Check if they are breathing
- Treat any non-life threatening bleeding

DO NOT REMOVE THEIR HELMET UNLESS THERE IS NO OTHER WAY TO ENSURE AN OPEN AIRWAY.

If the competitor is out of the vehicle:

- Do not grab hold of them - they might be unaware of what is happening and become combative.
- Guide them to a place of safety away from the incident and other competitors.
- Speak to them, ask if they are OK?
- Keep someone with them.
- Once in a safe place, assess them for injuries:
  - Are they aware of their surroundings?
  - Any signs of injury / are they experiencing pain?
  - DO NOT LET THEM WANDER AROUND, BUT KEEP THEM UNDER OBSERVATION

Afterwards please write a short report for the organisers and either hand it to the first control official that you reach or to the Competitor Relations Officer. This report should cover the facts as you know them and include times of the incident starting and when you left the scene; always include your own details so that the organisers can, if necessary, contact you.
