DECISION No. 16

From: the Stewards

Date: 24.09.2023.

To: to all Competitors

Time: 13:00

In accordance with Article 11.9.3.r of the International Sporting Code and Article 21.4.9. of the 2023 Hungarian National Off-road Regulation, the Stewards have taken the decision to permanently stop the FIA CEZ Championship round for safety reasons.

After the 3rd Qualifying Heat the Stewards decided to organise an extraordinary drivers briefing due to the extreme weather conditions at 12:30. The drivers and competitors have been reported about the tracks conditions that did not allow the continuation of the Competition at the point. The drivers have been asked to make a vote whether to postpone the race or cancel it immediately. The majority of the drivers have voted against the continuation.

The Stewards have decided to permanently stop the Competition. The Competition will be awarded based on the final classification of the Intermediate results of the Competition.
