

SNETTERTON STAGE RALLY 2025 **BULLETIN 3**

SSR25 – Trailer Parking & Overnight Camping

Trailer Parking – Friday 7th & Saturday 8th February

To reduce the risk to the public and provide a much firmer location for trailers in reducing the likelihood of churning grass or getting stuck, we have been asked by Snetterton Circuit to use the same campsite area as last year (marked in white on the first plan below).

After arriving, directed by marshals you will have the opportunity to unload your competition car and one service vehicle in the paddock area, but must return your empty trailer to the Competitor Trailer Parking area as soon as you can. Please be considerate to the marshals who will be managing this.

Competitor & Officials - Overnight Camping/Motorhomes

Overnight camping or motorhomes are allowed overnight on Friday 8th February, with the following conditions:

- Motorhomes **must** only park in the main paddock area overnight. No parking is permitted in the public parking areas (highlighted) in the previous diagram.
- There is no camping permitted on the night of Saturday 8th February as there is retail activity taking place on Sunday 9th.

Overnight security will be in attendance at the venue. In case of any issues the overnight/out of hours security number for Snetterton is 07920 018 803.
