Sweeps
Will be available during the evenings if required, however If you need them please speak to them first with about your issues, **before** going to the bar so they can plan their workload, there is little point in telling them your diff needs rebuilding at 10pm!.

Trackers
Your friends and family will be able to follow your progress on our tracking page using the link - https://hero.3sgroup.co.uk/ No password is required

If the device is not working, please check for the following possible issues: device is hidden (must have a clear view of the sky), face down (the SPOT logo must be on top when positioned in the cradle), must have batteries even with connection to a permanent power supply & correct details given to HERO-ERA Bicester office.
