

Omagh Motor Club Event director Tommy Nugent with Stephen O'Brien from Euro Sport and competitor Brian Little at the official launch for the forthcoming Samsonas Fivemiletown Rally.

Omagh Motor Club Ltd. are delighted to once again have the support of Samsonas Motorsport as headline sponsor to this year's Fivemiletown Rally which will be held on Saturday 28th February 2026.

This popular event is the first round of the Brown & Brown Insurance ANICC Forest Rally Challenge and a full entry is anticipated.

The event retains it's compact format of 10 stages of approx. 28 stage miles and is based at the traditional forests south of Fivemiletown. Start and finish venues will be held at the Campbells Contracts yard outside Tempo with central servicing also located at this venue.

Spectators are encouraged to use the official viewing areas at the Jenkin and Crocknagrally stages. Also, access to the stage start and finish areas will be prohibited and the Club is appealing to all spectators to obey instructions from the marshall's and event officials to assist in running a safe rally.

Further access information can be obtained in the rally programmes and these will be available a few days prior to the event at various outlets as listed on the Club's facebook page and web site www.omaghmotorclub.co.uk
