## Amendment to the Supplementary Regulations

### 12. OTHER PROCEDURES AND REGULATIONS

#### 12.20. Finish Procedure (replace with)

The competition part of the rally ends at TC 16A (Technical Zone IN).

Contrary to the Itinerary and Road Book, there is no holding area after TC 16A. After the technical checks all cars are required to be driven straight into the final parc ferme without stopping at their service bays. Rally1 cars are not required to be driven in electric mode. All cars are under parc ferme rules until the Stewards have authorised the opening of the parc ferme.

The FIA Post-Rally Press Conference will take place at the Service Park Fan Zone at 15:45.

The Ceremonial Finish will take place at the Service Park Fan Zone immediately after the press conference, approximately at 16:05. The following crews, not cars, are required at the Ceremonial Finish:

- Top 3 in WRC2
- Winning WRC2 Challenger
- Winning WRC2 Masters
- Top 3 in WRC3
- Top 3 crews in the overall classification, plus winning Manufacturer representative
