DECISION No 1: posted at 17:20

From: The Stewards

Date: 30.08.2025

To: Competitor #8 Beitske VISSER

Time: 17:05

The Stewards have received a report from Technical Delegate (document No 6_003), summoned and heard the competitor and driver(s), have considered the following matter extensively, determine the following:

Drivers and car No: Beitske VISSER – Arthur KAMMERER, car no 8

Competitor: Beitske VISSER

Time (fact): 15:00

Session: Leg 1 & 2

Fact: Car No. 8 was unable supplying data during Leg 1 and Leg 2 through the FIA Metering device installed in their vehicle during the Initial Scrutineering of Friday 29 August 2025.

Offence: Breach of Article 2 of the Bridgestone FIA ecoRally Cup - Sporting Regulations

Decision: The Stewards decide to remove car n° 8 from Category 1 and to place it in the classification of Category 2 from the beginning of the Leg 1.

Reason: After thoroughly reviewing the matter and hearing and analyzing the report from the FIA Technical Delegate, the Stewards determined that the car (SEAT Cupra Born K1 - 2023) is not permitted to provide data during Stages 1 and 2 via the FIA measuring device fitted to its vehicles during Initial Scrutineering on Friday 29 August 2025. Although numerous efforts have been made to attempt to obtain data during Leg 1 and Leg 2 from the car, this has not been possible. Consequently, although the car is on the compatibility list, it will not be eligible for entry in Category 1. However, it will be eligible for entry in Category 2.

The Competitor is reminded: of his right to appeal in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules. This decision becomes immediately binding notwithstanding an appeal, in accordance with Article 12.3 of the FIA International Sporting Code.
