

**TWORLD RX OF METTET
16-18 AUGUST 2024**

Date: 17 AUGUST 2024
Subject: STEWARDS Decision No. 04

Time: 14:40 hrs
Document No: 2.9

From: The Stewards
To: All Competitors

The Stewards, having received a report from FIA Race Director, regarding an incident between #2 Oliver O'DONOVAN and #39 Zoltan KONCSEG in the FIA European RX1 Rallycross Championship, having examined the report and viewed video evidence, determine the following:

Driver and car No: #2 Oliver O'DONOVAN

Competitor: Oliver O'DONOVAN

Time (fact): 11:49

Fact: Crowding of a car beyond the edge of the track

Session: Heat 1, Race 2 (Lap 1, T1)

Offence: Breach of Appendix L Ch V, Art. 2b of the FIA International Sporting Code

Decision: One place penalty and Reprimand
[In accordance with Article 17 of the FIA European RX1 Rallycross Championship Regulations Reprimands are accumulated during the season and will lead to a loss of Championship Points]

Reason: The Stewards reviewed MVRC and on-board camera video evidence from both cars. They summoned and heard from the Drivers and Team Representatives of car 2 and car 39. The Stewards considered that arriving at T1 car 2 was not alongside car 39 on his right and he failed to respect him and squeezing/crowding car 39 beyond the edge of the track resulting in a lasting advantage.

Having analysed the matter extensively, the Stewards find that car 2 had to give enough room to the car on his right, therefore considered that car 2 was totally responsible for the incident and decide that the appropriate penalty is to apply a drop of one place in the classification of the H1 – R2 cumulated with a reprimand to the driver.

The Stewards would also remind all drivers of the Race Directors Season Notes which sets out the guidance for when a car has the possibility to take the lead position i.e., in this case #39 was more aligned than having his front axle alongside #2 rear axle at which point #2 would expect #39 to give him the line.
