Date: 07 SEPTEMBER 2024
Subject: STEWARDS Decision No. 06

Time: 16:10 hrs
Document No: 2.10

From: The Stewards
To: All Competitors

The Stewards, having received a report from the FIA Technical Delegate (Report Number: 6.3.2.), regarding #129 Antonio Sousa in the FIA European Rallycross Championship, having examined the report, summonsed and heard from the team representative, determine the following:

Driver and car No: #129 Antonio Sousa

Competitor: ANTONIO SOUSA

Time (fact): 15:15

Fact: ECU not accessible

Session: Heat 2, Race 1

Offence: Breach of the rules as defined in article 10.6 of the Sporting Regulations of the FIA European Rallycross Championships

Decision: Disqualification from Heat 2

Reason: Having reviewed the written report and heard from the FIA Technical Delegate the Stewards summonsed and heard from #129. In the hearing the team was represented by the Engineer (Vater Ribeiro), Team Manager Antonio Sousa Jnr and the Driver Antonio Sousa.

The Engineer explained that this ECU is only used once per year. Yesterday the scrutineer had eventually accessed the ECU with the password however this had taken several attempts, he himself had been experiencing difficulties and he explained that he had tried several options to reset the ECU however all attempts have resulted in difficulties with access. They acknowledged that the Scrutineers had made many attempts to gain access during pre-race scrutineering however this had been unsuccessful at this time. The team confirmed that they will be obtaining overnight a replacement ECU. Having considered the matter extensively the Stewards have decided to disqualify #129 from Heat 2.

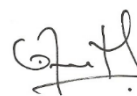

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
