Clarification of Art. 22.4

22.4 Paddock judicial cameras

Throughout the Competition, all **permanent** Competitors must have installed in their paddock awning live judicial cameras supplied by the official FIA timekeeper to record the number of personnel working on the car(s). It is the responsibility of each Competitor to ensure that the cameras are positioned in such a way that the car(s) and full working area are clearly visible at all times when work is being carried out on the car(s). The penalty (up to disqualification from the Competition) for non-compliance will be at the discretion of the stewards. The onus is on the Competitor to ensure that the judicial cameras are switched on and recording at all times when work is being carried out on the car(s).
