Subject:	STEWARDS Decision No. 017	Document No:	2.30

From: The Stewards
To: All Competitors

The Stewards, having received information about an official press release from KRISTOFFERSSON MOTORSPORT has spoken to the Team representatives determine the following:

Driver and car No: #1 Johan Kristoffersson and #96 Ole Christian Veiby

Competitor: KRISTOFFERSSON MOTORSPORT

Fact: Criticism of the Stewards Decisions and the Stewards of the Event

Offence: Breach of Article 12.2.1.f of the FIA International Sporting Code

Decision: Apology and Team statement

Reason: The Stewards reviewed the press release issued by the team yesterday (Saturday 27th July 2024) which states "But when it comes to the incidents that occurred during the day, we need to have a proper discussion about which rules should apply. There must be competent people who make assessments of what happens on the track. That was not the case today and it does not only apply to the situations we were involved in....".

The Stewards called and spoke to the Team Manager who offered an immediate apology and explained the circumstances of the release "Messy final but Veiby on the podium". He immediately offered to issue a corrective statement having not been aware. Mr Kristoffersson also visited the Stewards to explain that having had a discussion with their press officer who was working remotely he had made the comments in the heat of the moment and had discussed numerous items which the press officer had then used for this release. Unfortunately he had not had the opportunity to check the statements and this particular item was not his intention to be included in this manner.

The Team recognise that this statement undermines the authority and competence of the FIA officials and negatively impacts the interests of motor sport and the values defended by the FIA, constituting a breach of Article 12.2.1.f of the FIA Sporting Code.

After considering the severity of the misconduct and its wider impact, taking into consideration the positive discussions that had been had the Stewards decided that the apology and statement proposed as a conclusion to the matter.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
