NYIRÁD SPECIFICS

World RX Semi-Final one

The driver that TV asks to stop for a race end interview is required to stop should stop for interview; there is parc-ferme after SF1 so the driver has time for the interview.

TV will not ask any of the top three in SF2 to stop for interview.

NYIRÁD SPECIFICS

RX2e and RX1 Finals

The winners of the finals must **not stop** to celebrate on track – both races are in the live hour and on-track celebrations may cause delays.

You have the benefit of being in the broadcast TV show, so we need you to respect that we have a very tight schedule.

NYIRÁD SPECIFICS

Paddock Traffic, Route to Pre-Grid

The Paddock Map is in Sportity and include traffic flow.

No paddock vehicles – quad etc. permitted for tyre trolleys to pre-grid, must be used with caution and with no passengers on the quad or trolley.
