Subject: STEWARDS Decision No. 05

Time: 13:15hrs
Document No: 2.8

From: The Stewards
To: All Competitors

The Stewards, having received a report from the FIA Sporting Delegate, regarding the activity undertaken by the CONSTRUCTION EQUIPMENT DEALER TEAM in the FIA World Rallycross Championship, after having reviewed the matter, determine the following:

Driver and car No: #12 Klara Andersson and #68 Niclas Grönholm

Competitor: CONSTRUCTION EQUIPMENT DEALER TEAM

Time (fact): 11:30

Fact: Unsafe Driving in the Paddock (a public place)

Breach: alleged Article 15.3c of the FIA World Rallycross Championship Sporting Regulations

Decision: Warning

Reason: Having received a report from the FIA Sporting Delegate the Stewards reviewed video evidence of the Construction Equipment Dealer Team car(s) were being driven in the paddock to seemingly scrub the tyres. This is a matter of safety, the Paddock is a public place and this activity is not acceptable.

Therefore under the provision of Article 11.9 of the FIA International Sporting Code the Stewards have decided to issue a warning to the Team in this instance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Chapter 4 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
