ORGANIZER

PARTNERS

Rally Nyköping 15-16 May 2026

Introduction

The competition is part of the Swedish Rally Championship (SM), the Swedish Championship for juniors. (JSM), Nordic Rally Championship (NRC).

The competition is organized in accordance with the Swedish Automobile Association competition regulations, SC regulations as well as this invitation and additional rules as well additional bulletins.

Those who participate in the competition do so under their own responsibility and at their own risk. Swedish ASN (SBF) Special sports association (SDF), organizer or functionary can therefore not without fault be held liable for personal or property damage as under the competition affects the participant.

“Contest participants have, by registering to participate in the contest, consented to the respective personal data is registered in the organizer's data register and that the organizer, within the framework of its business regardless of media form, publishes the name information”.

Insurance information for foreign registered vehicles used in Sweden

Competitors in Swedish road events, with non-Swedish registered vehicles, must have third party liability insurance with a value of 300 million SEK. If such insurance is missing or if the insurance does not comply with Swedish laws the third party liability insurance hold by The Swedish Automobile Sports Federation will be eligible. The excess-fee that the one considered causing the accident is for this insurance 20 % of the Swedish price base fee. Value of the insurance is 300 million SEK.

12.1 Rules for possible reimbursement

The competition fee will be refunded in the following cases:

- 1/ If the competition is not held due to force majeure, 50% of the competition fee paid will be refunded. 2/ Competitors whose registration is not accepted will be refunded 100% of the competition fee paid.
- 3/ If the registration is withdrawn in writing (email) before 2026-05-03 at 18:00, 100% of the competition fee paid will be refunded.

The organizer reserves the right to charge an administrative fee of 1,000 SEK for cancellations between 2026-05-03 at 18:00 – 2026-05-10 at 18:00. After that, no refund of the competition fee will be refunded. The fee for reconnaissance fee and organizer notes will not be refunded regardless of the cancellation time.

13. Registration (day and time)

Registration for SM/JSM via www.rallysm.se

2026-03-16 Monday Registration opens at 18:00

2026-04-30 Thursday Registration closes at 18:00

NOTE! To be considered registered (verified), the competition fee and reconnaissance fee must be paid before 2026-05-05 at 18:00.

Late registration is possible until 2026-05-08 at 18:00.

Cancellations are made to e-mail anmalan@rallysm.se

Registration for invitation classes is made to www.infiniteracing.se

14. Cancellation, reasons for cancelling the competition or Force Majeure

The competition management reserves the right to cancel the competition in consultation with SBF, (see Championship Rules SM Rally) and the judges in the event of a ban from authorities, landowners, adverse weather or other cases of force majeure and if at least 60 competitors in SM/JSM have not registered by the end of the registration period.

15. Special provisions, Tires, Environment, starting method SS

15.1 Tires

- Tires according to Championship Rules SM Rally. Maximum number of tires allowed 8 pcs.

All tires must be registered at the same time. Tire lists must be submitted before the start no later than 1 hour before the actual start digitally according to Rally SM rules 2026, point 2.2.1.

Invitation classes

Invitation classes may use tires freely from SBF's "Däcklista Sommardäck 2025-2026".

15.2 Safety Tracking

Rally Safety Tracking (RST) will be used during reconnaissance and competition.

The RST unit is powered via a USB connector. The RST unit must be mounted in the competition car so that both the driver and co-driver can see information and reach the unit.

The RST units must be charged throughout the reconnaissance and competition. Also, between reconnaissance and competition. May not be left in the rally car during overnight breaks but must also be charged there overnight with 220 V.

The RST units must be switched on during the entire reconnaissance time specified in the time schedule.

15.3 Environment

Environmental regulations according to SBF's national regulations RY 3.1 and G 6.0.

Fires are prohibited at service areas.

The service areas do not have special refuelling zones. All refuelling must take place at the respective service area.

15.4 Start method

Countdown clock, photocell for indicating false starts on the starting line.

15.5 Reconnaissance of special stages

The start number must be attached to the top right corner of the windscreen of the reconnaissance car, found in the envelope received at administrative check-in.

The Rally Safety Tracking System/speed control unit will be used during reconnaissance and must be powered and active throughout the reconnaissance. Tracking equipment is handed out at administrative check-in upon registration and returned to HQ after the finish.

Reconnaissance must be carried out with a standard car equipped with standard tires. Reconnaissance max. 2 times/SS. SS that is driven 2 times during the competition may only be reconnoitred 2 times in total. Only the driver and co-driver may be in the car.

Reconnaissance may be carried out with replaced personnel in the crew provided they have the required license. The organizer must be notified before the change takes place.

Competitors may never travel against the direction of competition on the SS during reconnaissance. Speed on SS during reconnaissance is a maximum of 70 km/h, except for some shorter sections with reduced speed. The speed will be monitored via the Tracking system.

Teams that violate the reconnaissance rules will be penalized according to Championship Rules SM Rally 7.10.3. The first warning will follow during the SM season and on the second occasion that the reconnaissance rules are violated, time allowances will be awarded.

Penalty scale:

1. Warning (Warning issued will be carried over into the season until any time penalty is issued)
2. 30 sec time penalty
3. 180 sec time penalty
4. Exclusion from the competition

15.6 Mechanic notification, as well as power of attorney for protest representative

Mechanics are insured via the competitor's license insurance, provided that a "Mechanic Registration Form" is submitted before the competition. The form can be downloaded from https://www.sbf.se/download/18.2edc70c8184d1e4f750acaa7/1670426606706/folksam_mekanik_eranmalan.docx

- fill in, save and email to: daniel@gredelstam.se or submit at administrative check.

15.7 Parc Fermé

Parc Fermé between Friday and Saturday.

No Parc Fermé after the finish, protest procedures are according to the Championship Rules SM Rally.

16. Utilization of space for ASN/organizer advertising and the possibility of free purchase

The organizer reserves the right to place advertising and start numbers on the competitors' vehicles in accordance with SBF's regulations, including the Championship Rules SM Rally. Exemption is not possible for the mandatory championship advertising on the front and rear windows and for start numbers on the doors.

Exemption of other advertising can be done against an increased competition fee according to point 12 Fees.

17. Prizes, calculation of points, differentiation, awarding of prizes

Prizes and points calculation according to Championship Rules SM Rally. Prizes will be awarded to winners in each class at the finish line based on the latest published, preliminary results list.

18. Information, telephone number, e-mail
