

11/11/2022 2330 PST

To all Competitors

Due to the deep sand on stage 2/4/6, we are changing the route to exclude the problem area.

Please replace the following pages in the Routebook with the pages that follow

1. Page 2 (Itinerary)
2. Pages 15, 16, 17 (Stage 2/4/6)
3. Page 18 (Transit from 2/4/6 to Service)

Also remove Page 24

Generally

- a. We are running stage 2/4/6, but **only up to mileage 5.51**
- b. Then we are doing a new transit around the soft sand area
- c. The new transit goes to a point a few miles from the end of stage 2
- d. So then we run those last few miles of stage 2 **as a transit** ending at service
